About BeWILDerwood

BeWILDerwood is a wild and imaginative family adventure park based in Hoveton, Norfolk. With magical treehouses, exciting play structures and a hint of intriguing characters, BeWILDerwood brings a unique experience to the Norfolk Broads.

Beautifully designed to be in keeping with the natural surroundings, we carry a sustainable approach throughout every aspect of the business.

BeWILDerwood has grand plans for the future and aims to further develop the current park in Norfolk as well as opening similar attractions throughout the UK.

We are now looking for a highly motivated and experienced Events Supervisor, to join the Events department, contributing to our desire to become the UK's most loved adventure park.

About the Role

The Events Supervisor will assist the Events and Story Manager in the development, set up and delivery of BeWILDerwood's yearly calendar of events and supervise our fabulous seasonal team of staff to ensure all our events are delivered smoothly and to the tip top highest of standards. Events at BeWILDerwood bring the fantastical stories our park is based onto life. Therefore, we are looking for someone passionate about creating magical experiences for children and families; with a keen eye for detail, as our wibbly wonky world is rather unique!

The Events Supervisor will be working with a seasonal team of staff, so need to offer lots of support and BeWILDerwood wisdom to the team...we need someone who is ready to take on a distinctive challenge, running events that include arts and crafts, face painting and storytelling. But that's not all, we love to parade with everything from bouncing bubbles to glorious glowing lights - all in a woodland open to the elements. We may have a crowd of 10 or a procession of 700! Both are just as important.

Events at BeWILDerwood come in all shapes and sizes, so you will need to wear your serious organiser hat whilst putting on your best pair of silly socks and get stuck in!
